Meet U-Gate's Resident of the Month!

Colt Ayers

March's featured resident is Colt Ayers. Colt has enjoyed over three years here at the University Gate Apartment complex. He began his inquires with us based on location, and was delighted to find that we offer the nicest apartments available for Penn State Behrend students. He continued his stay here through roommate changes and apartment changes, and even stays during the summer.

Colt is a Management Major and attributes his success as a student to his competitive nature and the positive influence of his parents. One of his favorite pastimes is skiing which is also adds to the convenience of living here at the University Gate Apartments because we are just a short drive away from Peak N' Peak Resort.

Ironically, seeing as he loves the snow, Colt, is aiming to someday have a career in the management field and wants to relocate to somewhere with a warmer climate. This seems to be a common theme amongst most of our residents. These Erie winters are harsh, but thankfully everyone has a warm place to stay here with us.

Also, please remember to lock your deadbolt if you plan on leaving. If you have any maintenance requests that you'd like us to take care of while you're away please let us know beforehand.
