## Meet U-Gate's Resident of the Month!

### Alyssa Moore

U-Gate's October resident of the month is Alyssa Moore. Alyssa chose University Gate Apartments because they are close to campus, but she still gets to enjoy the freedoms of off-campus living. Alyssa is a senior majoring in Accounting. She hopes to move to Colorado soon after graduation to pursue a career in her field.

Some of Alyssa's hobbies include rock climbing, repelling, and snowboarding. She has even tried skydiving. Relocating to Colorado would be ideal for her enjoyment! Alyssa likes spending time with her family and the small town mentality that she came from, but is looking forward to beginning her career. Best of luck!

## Fall 2010/ Spring 2011 Housing Priority

It's time to start thinking about NEXT FALLS' housing! Due to the high demand for off-campus housing here at University Gate, we would like to extend a first priority offer to you, our current residents, to renew your lease for next school year either for your current apartment or a different apartment style within the complex. If you wish to have the exclusive right to apply for your current apartment for the Fall 2010 / Spring 2011 school year, you need to stop by the rental office in order to review the new leasing contract. We will make every attempt to keep you in the same apartment as long as you re-sign your lease by Friday, October 30th, 2009. If you would like information regarding other apartment options, please contact the rental office at your earliest convenience.
